Gabrielle will most likely be there!** Maker Faire is a gathering of fascinating, curious people who enjoy learning and who love sharing what they can do. From engineers to artists to scientists to crafters, Maker Faire is a venue to for these "makers" to show hobbies, experiments, projects. Called the new Greatest Show (& Tell) on Earth - it's a family-friendly showcase of invention, creativity, and resourcefulness. [Tickets here!](#)

**Dedication of Infants and Children** in Unitarian Universalist churches dedicate children to the highest ideals of life while in turn the congregation commits/dedicates itself/promises to support the family in this rollicking business we call life. Because of the commitment/aspect of this ritual, we ask that at least one parent of the child be a member. Children are never too old or young to be dedicated. If your family would like to participate in the Service of Dedication, please contact Gabrielle Farrell,

at [gfarrell@rruu.org](mailto:gfarrell@rruu.org). Available dates are April 16th (Easter); April 23rd or June 4th (Flower Communion).
