

River Road is where we create and sustain community connections, strive for justice, and find solace and joy.
It only happens with your financial support.

Why Give?

We give to people and places that add meaning and value to our lives. RRUUC is one of those places.

Our financial support, our pledges, keep RRUUC a vibrant reality. It is where. . .

- We engage the will to speak and act with the courage of our convictions
- Our children learn to care deeply about the world and one another
- We find good company on the path to spiritual growth
- We enjoy glorious music, thoughtful inquiry, and support in times of need

What to Give?

Our pledges represent almost 80% of our operating budget, so pledging is essential to RRUUC’s future. By pledging, we make a commitment to support what we hold dear. For the 2018-2019 fiscal year, our goal is to raise \$970,000, which represents only a 1.5% increase over last year.

There are three giving categories: Supporters, Sustainers, and Visionaries. Supporters constitute the largest number of donors. Even small increases among this group have significant overall impact. Please give as generously as you are able. We urge you to “step up” to an increased level of giving.

This chart is one way to help you determine your pledge. Another resource is the Unitarian Universalist Association’s Fair Share Giving Guide which can be searched for at www.uua.org. It suggests a contribution of 2 -10% of your income.
