

Ch[all]enge Pledge

There's a first time for everything--and that time is NOW!

Exciting news: We've received a generous Challenge Pledge from an anonymous donor. This family will donate \$10,000 to the Stewardship Campaign if we are able to bring in 25 first-time pledges by March 29, the final day of the campaign.

The Challenge Pledge is designed to inspire those who participate in the life of RRUUC, but have never pledged, to take that step and make a pledge. If that describes you or your family, please consider being one of those 25 first-time pledgers and help unlock this inspiring donation! Any amount of pledge counts.

The Stewardship Campaign funds our annual operating budget. Reaching our goal of \$990,000 will ensure Rev. Nancy and the staff can prepare a budget to provide all the programming you know and enjoy. Earning this Challenge Pledge would be a big step toward meeting our 2020-2021 goal.

There are many ways to make a pledge:

- **Online**. Pledge and then arrange your payments on a schedule that is convenient for you, using a debit card, a credit card, or a bank electronic transfer.
- **At River Road**. You can drop off your pledge form in the office.
- **Mail**. Send a check to RRUUC, 6301 River Road, Bethesda MD 20817 with 2020-2021 in the notation.
- **Direct Contact**. Call or email [Ana Lim](#), or 301-229-0400, ext. 101.

If you're a new pledger, help meet the **Ch[all]enge!** Be All In!
