

Fall Vegetable Garden Outing! Schedule a Masked/Distanced Visit with the Gardener

The garden behind the Fellowship Hall has crops to harvest and garlic and winter greens to plant!

Schedule a 30-60 minute outing for any day/time in the week. The Gardener will assist one family at a time in the garden.

Everyone will mask and social distance.

This program is approved by the RRUUC Covid 19 committee, and sponsored by the Earth Ministry and the RE program.

To learn more or schedule a visit, email Walter at Garden@rruuc.org.
