

## **RRUUC Guidelines (updated Sept. 14, 2022) for Indoor Activities/Events**

*These guidelines have been developed by the RRUUC COVID-19 Advisory Committee in order to help ensure that all RRUUC members and friends enjoy their experience and minimize their risk of infection during the planned activity/event.*

1. Organizers of indoor activities/events in the RRUUC building should follow County guidelines (check for updates prior to the activity/event: [www.montgomerycountymd.gov/covid19/reopening/](http://www.montgomerycountymd.gov/covid19/reopening/)).
2. No one who is ill should participate in the planned activity/event.
3. CDC face mask Information is available at: [www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/about-face-coverings.html](http://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/about-face-coverings.html)
4. As noted in the above MC guidelines, face mask use guidelines are as follows: [www.montgomerycountymd.gov/covid19/face-coverings.html](http://www.montgomerycountymd.gov/covid19/face-coverings.html).
5. RRUUC Sunday services continue to require mask wearing in the Sanctuary, RRUUC committee, task force, and other regularly scheduled group meetings and events planning to meet indoors are now mask optional. However, given the variability in risk perception among RRUUC members and friends, indoor meeting and event organizers are strongly encouraged to consider mask wearing in relation to those participants who perceive themselves at highest risk from exposure. We are a caring community that strives to address the needs of all of us.
6. Food and liquid refreshments are now permitted within the buildings. Providing participants space to consume food and beverages outdoors as well as indoors is highly recommended to allow individual participants to self-select where they choose to eat and drink based on their perceived risk of exposure.
7. To improve ventilation in all small rooms (e.g., classrooms) in use for indoor events/activities, windows/doors should be opened (where possible) during the event/activity. The use of air purifiers, as well as fans to increase airflow, are encouraged.
8. Bathroom facilities within the RRUUC buildings are available for use for indoor events/activities. All bathrooms will be equipped with air purifiers which will remain on during the use of the facilities.

## **RRUUC Guidelines (updated Sept. 14, 2022) for Outdoor Activities/Events**

*These guidelines have been developed by the RRUUC COVID-19 Advisory Committee in order to help ensure that all RRUUC members and friends enjoy their experience and minimize their risk of infection during the planned activity/event.*

1. Organizers of outdoor activities/events on RRUUC Grounds and/or for RRUUC members at other outdoor locations in Montgomery County (MC) should follow County guidelines (check for updates prior to the activity/event: [www.montgomerycountymd.gov/covid19/reopening/](http://www.montgomerycountymd.gov/covid19/reopening/)).
2. If one is ill, they should not participate in the planned activity/event.
3. CDC face mask Information is available at: [www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/about-face-coverings.html](http://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/about-face-coverings.html)
4. As noted in the above MC guidelines, face mask use guidelines are as follows: [www.montgomerycountymd.gov/covid19/face-coverings.html](http://www.montgomerycountymd.gov/covid19/face-coverings.html).
6. With respect to food and liquid refreshments, organizers are strongly encouraged to provide adequate space to allow individuals to self-select where they choose to eat and drink based on their perceived risk of exposure  
Bathroom facilities within the RRUUC buildings, are available for use for outdoor events/activities on RRUUC grounds.
